

Bear Paws!

Live to serve, Love to serve!

What is Circle K?

Hint: We're not a gas station! Circle K International is the world's largest student-led collegiate service organization. We are the college branch of the Kiwanis family. Circle K is a club dedicated to service, leadership development, and friendship within the CKI family. Our UMaine chapter is a welcoming group with a passion for volunteerism on both a local and global scale. If you are looking to be more involved on campus, want leadership opportunities, or you would like to volunteer for organizations like UNICEF and the American Cancer Society, come check us out!

In this issue:

-  Pumpkin Fest
-  Trauma Dolls

Winter 2015!

Circle K had a great fall and winter. Member attended the Pumpkin Festival in Freeport, Maine which helps to raise money for Camp Sunshine. Members also helped their fellow Kiwanians in gift wrapping Christmas gifts for those in need.

Trauma Dolls still in Progress!

Also this winter we participated in an in meeting service project making trauma dolls to support Tufts University Floating Hospital for Children. The dolls are not yet finished, we still need to stuff and sew them but once they are complete pictures will be available!

We are excited about the start of the new semester and anyone who wants to make some friends and do some community service make sure to come to our meetings Mondays at 7 in TBA!
